

Adjustable for 104–168 mm  
size: all phones and small  
tablets horizontally

## Made in Sweden, universal dashboard holder for smartphones. Fits all mobile phone brands and cars

Swedish-made universal smartphone holder for installation on the dashboard of any car. Fits all normal and large smartphones (104–168 mm), including smaller tablets horizontally. Lockable ball joint for stepless adjustability in rotation and angle for optimal phone positioning. Made of glass fiber reinforced plastics and easily operated with only one hand. Attaches easily and strongly to any clean surface and leaves no tape residue if removed.

**Convenient and safe one-handed use**

**Innovative and strong tape**

**Adapts to any surface form**

**Does not block the view**

**“AT LEAST AS GOOD  
AS THE TEST WINNER”**
