

Twin neodymium magnets securely holds any type of phone with the metal plate attached or magnetic cases.

## Made in Sweden, universal magnetic smartphone holder for dashboard

Swedish-made universal smartphone holder for installation on the dashboard of any car. Strong N50M rare earth magnets combined with thicker metal plate create extra stable and strong bond. Easily accessible and easy to use with just one hand. Made of glass fiber reinforced plastic. Attaches easily and strongly to any clean surface and leaves no tape residue if removed.

**Automotive grade neodymium magnets**

**Convenient and safe one-handed use**

**Innovative and strong tape**

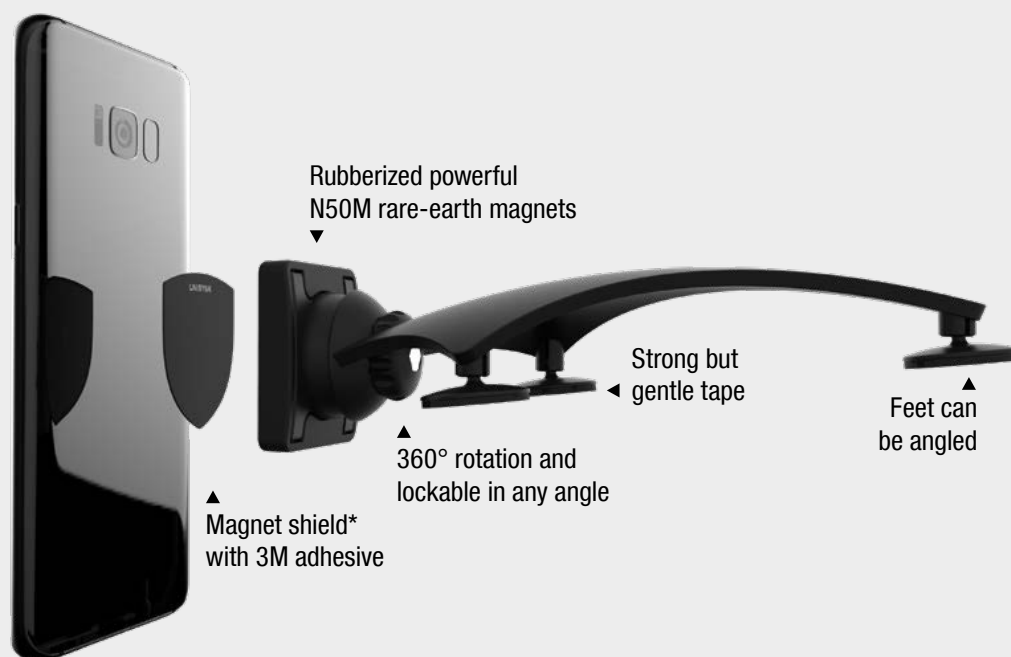

**Adapts to any surface form**

**Does not block the view**
