## Smartphone and tablet stand with heavy weight. Elegant and unique finish

The universal Stand is born from the idea that the devices we use everyday are a vital part of our lives and should also have their own place in the home to recharge and rest. It provides a natural collection point and reinforces the habit to orderly line up devices, freeing up valuable living surface. The design is formed by simple square elements to visually blend into any interior style and provides a compact and handy format for moving it around.
