

Sleep well while charging, knowing that the charger production facility is frequently and meticulously inspected by engineers from the German safety company TÜV.

USB-A charger packaged in a beautiful and compact case with practical features such as stand for phone

Custom electrical component design allow it to be the probably slimmest charger with this power (2,4 A) in the world. Includes one USB-A 2.0 to Micro-USB reversible (insert both ways) 1 m cable (Aramid reinforced, unique color identification, tactile moon code that corresponds to Latin script). Sleep well while charging, knowing that the charger production facility is frequently and meticulously inspected by engineers from the German safety company TÜV. 5 year warranty.

New reversible design

High power

Safety protection

5-year warranty

TECHNICAL CHARGER DATA	
Input	100-240 Vac 50/60 Hz 0.35 A
Output connector	1 x USB-A
Output voltage	5 Vdc
Output current	2400 mA
Output power	12W Max
Weight	33 g
Width	37 mm
Depth	16 mm
Length	78 mm

TECHNICAL CABLE DATA	
Connector 1	USB-A
Connector 2	Micro-B
Diameter	4.0mm
Length	1m
Conductors	22/28 AWG
Cable jacket	TPE
Cable head inner mold	LDPE
Cable head over mold	TPE
Reinforcement	Aramid fiber (Kevlar®)

BOX CONTENT: 1x black USB-A charger,
1x USB-A 2.0 to Micro-USB 1m cable.
