

The in-line remote has a built-in mic and comes with 3 buttons to manage calls, play or pause music, switch track or adjust the volume.

Easily switch between the four different silicon ear tip sets to fit your ear size, or remove the tips to clean them. The smallest set fits perfectly for children.

## In-ear headphones with clever magnetic solution. Enjoy great sound and handle phone calls

Enjoy your favorite music or handle calls. Surprisingly high quality sound, the Unisynk in-ear headphones punches above it's weight class.
